Multi-award winning Australian singer/songwriter/guitarist **GEOFF ACHISON** returns to the UK for his **20th Anniversary Tour**, performing at Festivals, Music Clubs, Theatres and Arts Centres.

To commemorate this anniversary tour, Geoff is also promoting a brand new 'live' album release featuring his **UK Souldiggers** with internationally acclaimed drummer **SAM KELLY**, keys man **PAUL JOBSON** and bassist **ANDY HODGE**. The group set up at Mike Thorne's Rimshot Studios in Kent mid-tour 2018 and put on a superb show for a small but enthusiastic studio audience. The sheer joy of playing music is evident on this disc as the band barnstorms through a set of on-stage favourites and impromptu jams.

On Tour Aug 21st-Sept 29th 2019
